

Answer key: Maya · 11 October 2026

For parents only. Topic tags drive the review list.

Q	Answer	Why	Tag
M1	$x = 7, y = 3$	Add the equations: $2x = 14$	[Maths · Simultaneous equations]
M2	$x = 4, y = 3$	Subtract the second from the first: $x = 4$	[Maths · Simultaneous equations]
M3	$t = (v - u) / a$	Subtract u , then divide by a	[Maths · Rearranging formulae] (review topic)
M4	$r = \sqrt{A / \pi}$	Divide by π , then square root	[Maths · Rearranging formulae] (review topic)
M5	(a) $1+$	Sodium loses one electron	[Science · Ionic bonding]
M6	Transferred	From the metal to the non-metal	[Science · Ionic bonding]
M7	High melting point, or conducts electricity when molten or dissolved	Strong attraction between ions in a lattice	[Science · Ionic bonding]
M8	MgO	Mg^{2+} and O^{2-} balance	[Science · Ionic bonding]
M9	Thane of Cawdor, or king hereafter	The prophecies in Act 1 Scene 3	[English · Macbeth Act 1]
M10	She wants him to be king and fears he is "too full of the milk of human kindness". She calls on spirits to "unsex" her	Any two clear points with a reference	[English · Macbeth Act 1]
M11	Militarism, alliances, imperialism or nationalism	Any one	[History · Causes of WW1]
M12	Archduke Franz Ferdinand	Sarajevo, 28 June 1914	[History · Causes of WW1]
M13	I get up at seven o'clock	Reflexive verb <i>se lever</i>	[French · Daily routine]
M14	Elle se couche à dix heures	Reflexive <i>se coucher</i>	[French · Daily routine]
M15	11, and FF	$8 + 2 + 1$; $255 = 15 \times 16 + 15$	[Computing · Binary and hexadecimal]

Reading: ask out loud

1. What happened at Camp Green Lake this week, in your own words?
2. Which character would you most like to talk to, and what would you ask them?
