

Weekly report: 5 to 11 October 2026

Maya (Year 9) and Leo (Year 4). Made-up family, example data.

Summary

- **Best news:** Leo read every day and hit 22 points, his best week so far.
- **To watch:** Maya handed in her French homework a day late and missed Thursday's check-in. Worth a calm chat.
- **Next week's tests:** Maya, Maths (simultaneous equations) on Wednesday 14 October. Leo, spelling on Monday 12 October.
- **Points:** Maya 15/23 (below 16), Leo 22/23 (reward unlocked).
- **Suggested goal:** Maya finishes homework one day before it is due, all week.

Topics

Maya

Subject	Logged this week	Self rating	Status
Maths	Simultaneous equations	2 partly	In progress

Subject	Logged this week	Self rating	Status
Science	Ionic bonding	3 got it	In progress
English	<i>Macbeth</i> , Act 1	3 got it	In progress
History	Causes of the First World War	2 partly	In progress
French	Daily routine, reflexive verbs	1 not at all	In progress
Computing	Binary and hexadecimal	3 got it	In progress

Waiting for review: rearranging formulae (Maths), wrong in the 4 October quiz.

Leo: fractions of amounts, column multiplication, fronted adverbials.

Mismatches

- **Maya, reading:** Tuesday's check-in says 25 minutes but only 3 pages (118 to 121). On other days she reads about 8 pages in 20 minutes. Score not changed.
- **Maya, reading:** Friday's start page (137) does not follow Wednesday's end page (125). Twelve pages may be missing from the log, or she read on Thursday without a check-in.
